Chef Darrell shares one of his specialties for a light summer meal!

Chef's Dinners at church resume September 8th!

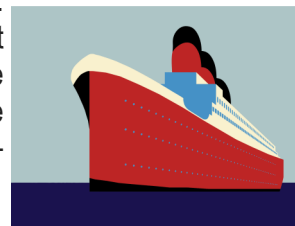

Pre-heat oven 350 degrees.

Take salmon and cut two 8 ounce portions; coat on both sides with pan spray; dust both sides with maple seasoning. Place fish in a sprayed 6x9 pie pan and roast in the oven for 8 minutes then let stand.

In a small metal bowl use a wire whisk to blend in syrup, soy sauce, ginger, garlic and garlic salt. Blend well and spoon half of the sauce over the salmon and return to the oven cook for another 8-10 minutes. Remove from oven and re-glaze and serve with your favorite sides, garnish salmon with dill.

We Have a Hearing Loop System in our Sanctuary.

This symbol says our sanctuary is equipped with technology to enhance hearing in this space for those who depend on aids. To learn if our system works with your aids, take a brochure from the Narthex. When you invite folks to come to Trinity with you, be sure to let them know we have this system, if that might be important for them to better experience worship.
