Council Update:

At our meeting in June we received a healthy financial report from our treasurer, Dave Cozzette. We welcomed back Pastor Bobbie from Sabbatical and thanked Pastor Doug for his good work while she was away. We rejoiced in the great reports of our ROOTS program this year and noted that following VBS Veronika will be taking vacation and have the opportunity to return to Hungary and see family, as well as apply for a full VISA with the American Embassy there. While she has been approved for employment with us since January, she has not been eligible for travel outside the United States and re-entry. An application for a travel VISA has to be done at an American Embassy outside the United States -- we are indeed learning a great deal about employing international workers!

The Council accepted with regret a letter of resignation from Pattianne Mizell, who has served faithfully on council since 2014. Thank you for your service, Pattianne!

Pastor Bobbie asked the Council to consider re-entering the Vicar Program in the Fall of 2019. It was unanimously decided to give our community a chance to pledge to fund another vicar. Pledges are invited rather than out-right gifts as the actual assignment of a vicar wouldn't be certain until April of 2019. Sadly, there remains a smaller pool of persons entering seminary to train for ministry. However, if there is a chance to continue to provide an educational site for new pastors, we would like to move forward and attempt to re-enter the program. You can indicate your financial support on the form contained in this newsletter.

Our next council meeting will be on Thursday, August 16th at 7pm.

ROOTS A Success!

For the sixth consecutive summer, Trinity hosted the ROOTS program for Arts, Music, Dance and Theatre! 53 young people between the ages of 7 and 12 participated in the day-long camp June 4th-7th. Trinity provided the lunches and snacks, volunteers to help guide the young people in activities AND our very own Zumba Instructor, Gonzalo! Take a gander at some of the fun -- Facebook and the Website include more information and details of our experiences! A HUGE thank you to all who made this year the *best one yet!*
